## UNIT TYPES

All drawings and dimensions are approximate. Drawings are not to scale and are subject to change without notice. The developer reserves the right to make revisions. The units are measured at typical floors in the building and columns may vary in size depending on the floor level. The furnishing and accessories shown are for representation only. The availability, length and width of the balcony varies depending on which floor and which orientation the unit is located within the building. There will be slight differences in the internal areas between the same unit types depending on the shaft sizes that go through the units.

The background features a series of concentric circles that create a tunnel-like perspective. The circles are rendered in a dark gray color, with the spacing between them increasing as they move away from the center, giving a sense of depth. The overall color palette is dark, with the circles appearing as a gradient from a very dark gray to a slightly lighter gray towards the center. The text 'Reportage.' is positioned at the bottom center of the image.
